I do not know what your destiny will be, but one thing I know: the only ones among you who will be really happy are those who will have sought and found how to serve.

A SCHOOL IS A LIVING

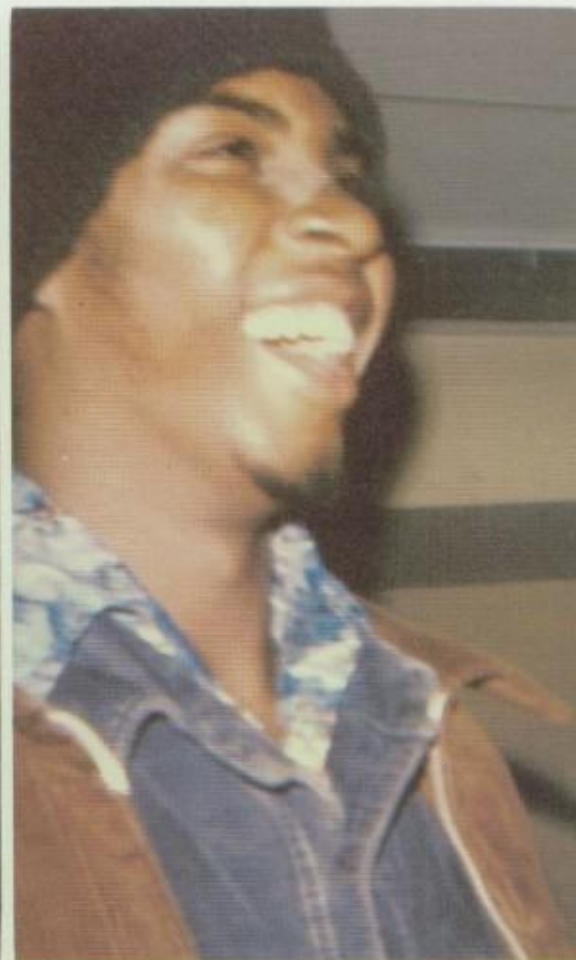

ORGANISM LIKE A TREE

In the Case of Corrigan-Camden School This Is Easily Imagined . . .

*As the Pine
Is So Much
a Part of
the Life of Our
School and Community*

Our Lives at Corrigan-Camden

*Can Be
Likened
to the*

*Growth of This Same
East Texas
Pine*

Tree . . .

WITHOUT THE ROOTS,

The Financial

Backing,

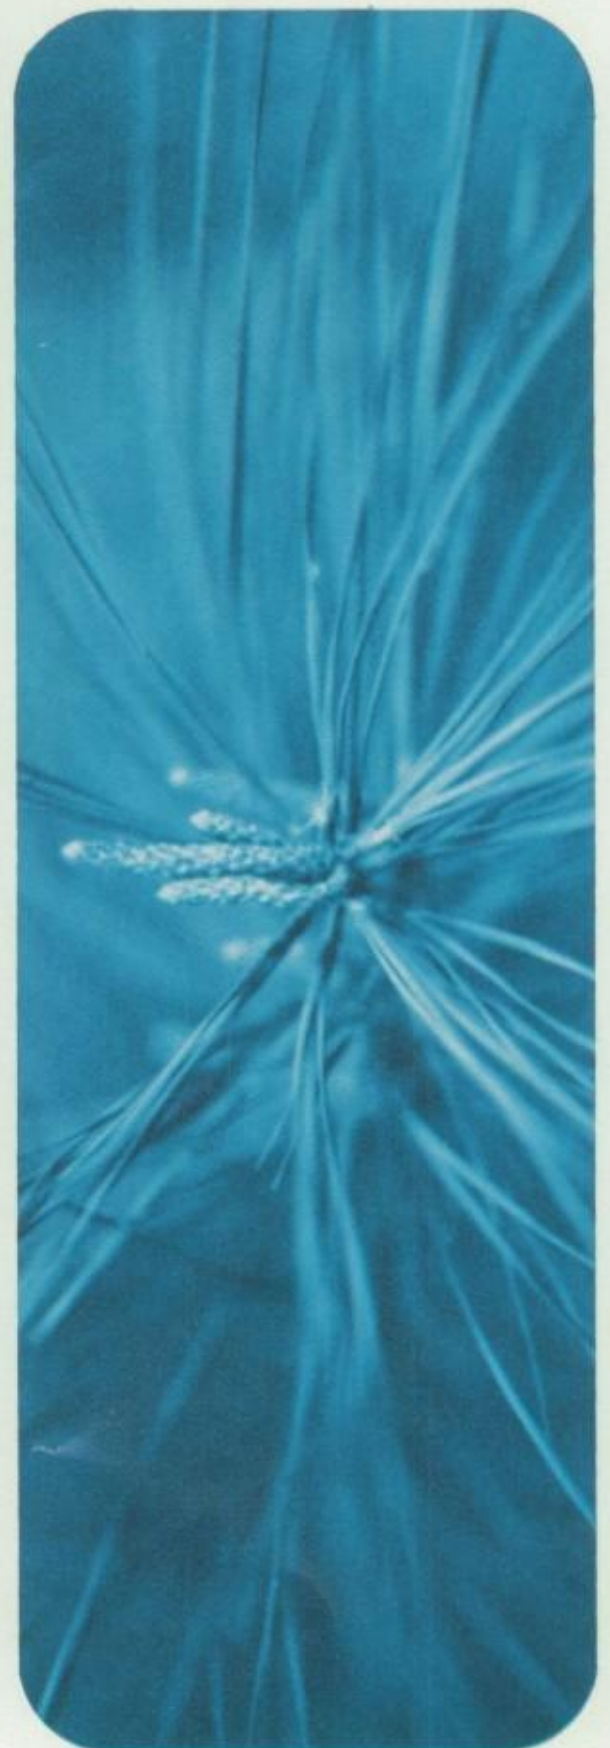

*The Community Would
Wither and Die . . .*

AS THE BRANCHES Extend Outward

So Do the Organizations Extend
the Academics of Our Student
Body . . .

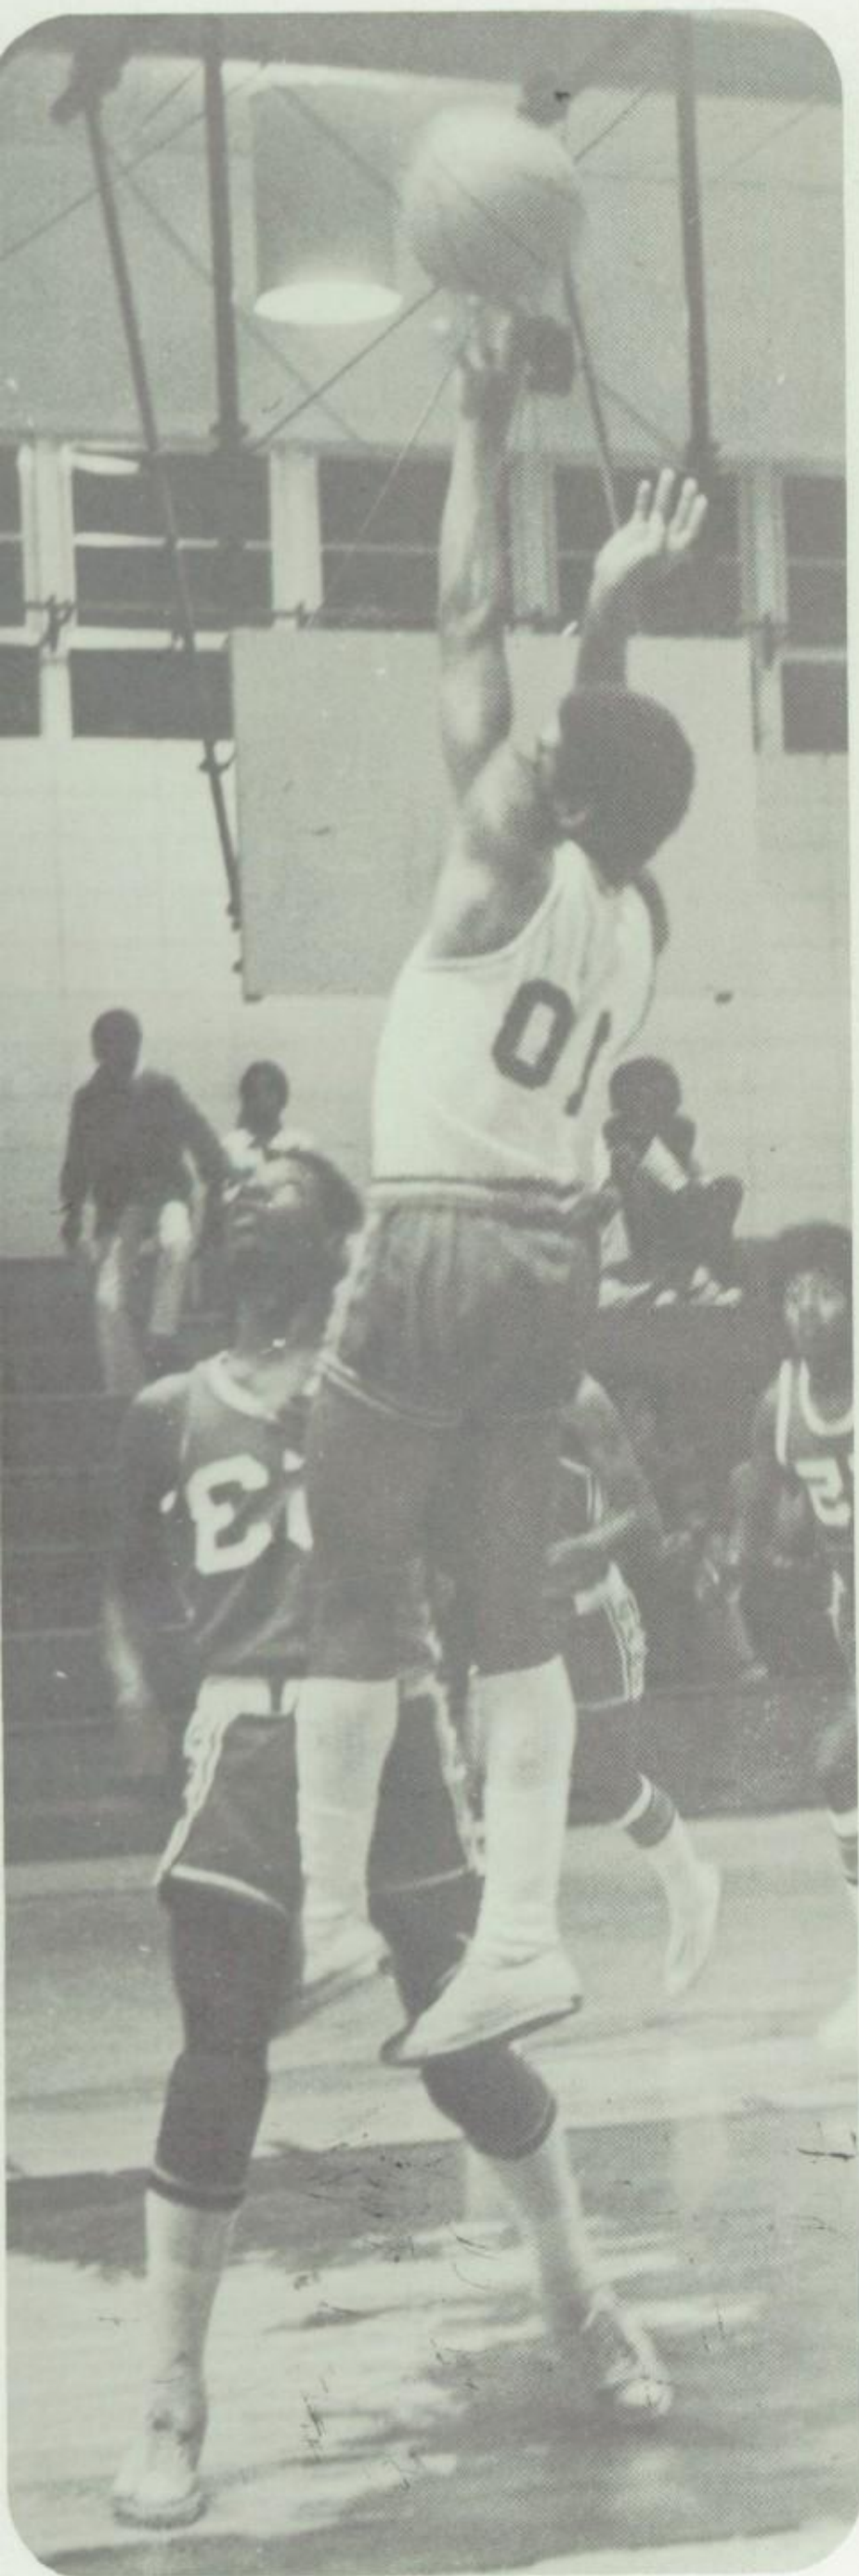

BLOSSOMS
*Add Color to
the Pine Tree as
Do the
Personalities
of C-CHS*

*WITHOUT THE TRUNK,
the Faculty Administration, to
Hold the Organism Together the
Tree Would Not Be Able to
Stand . . .*

*LACKING THE
CORE, Or the Heart of
the Tree, Which Is
ATHLETICS, the School
Would Be Without
Pride and Enthusiasm*

. . .

THE PINE NEEDLES Are an End Product of All the Parts of the Pine Tree and Without Them the Tree Would Die, Just as the Student Body of Corrigan-Camden Schools Will Be an End Product of Years of Education, and Without the Student Body These Schools Would Perish . . .

Corrigan-Camden School Honors Mrs. Sirman

A reception was given on June 5 to honor Mrs. Roberta Sirman. Former classmates, principals, students, superintendents, co-workers, family, and friends joined together to express their appreciation for the love and devotion she has given to them. The program was divided into who she was, what she did, and what she stands for. "Loyalty" is the word Supt. of Schools J. R. Cockrell used as best describes Mrs. Sirman: "Loyalty to her family, her friends, her school, and herself."

Her teaching career began with newlyweds Myrtis and Roberta in a two teacher school and the career continued for 35 years. She taught all grade levels and also served as County School Supervisor. Besides teaching, Mrs. Sirman has devoted her time and many talents to the church and the community.

In leaving, Mrs. Sirman stated, "I thank my Heavenly Father for giving me the opportunity to work with the many children I have taught and the privilege of working with the finest trustees, superintendents, principals, co-workers, and parents in the world."

The school cannot replace Mrs. Sirman; she is one of a kind. We will miss her and we wish her much happiness.

"One tree does not a forest make," and one person does not make an annual staff. There was no one outstanding individual; we worked together as a group. This year's staff was a combination of both juniors and seniors. I believe this was an asset to us all. We learned to tolerate, to understand, and to cope with people and problems. Through it all, this staff has tried to produce a book depicting the students and the events of the 1976-1977 school year.

We learned the meaning of WORK. Of course there were times to goof-off, but there were also those cold-blooded deadlines. The agony of wondering "Are we going to make it." The ecstasy when it was sent off to become a 1977 BLUE QUILL, whole and complete. Although I'm the editor, I know as much about this annual as you do now, when you first open it. Be proud of what 16 students and their advisors, put together.

I thank Mr. M. O. Mark for the support he gave to me, and Mrs. Sherman for getting everything done.

We, the staff would like to acknowledge the teachers, administration, and the businesses for their co-operation and support.

She was named on the All-District team both her junior and senior year. Wanda was also elected as Senior Class favorite this year. Wanda combines her natural beauty with a warm and friendly personality. She will be greatly missed next year by both the students and the faculty.

Mrs. Juanita James Retires

Pictured: Mr. James displaying the painting "If I Could Only See" which was presented to the school by Mrs. James.

"The Desert in My Life" description by Mrs. Juanita James of eleven years of service to the Corrigan-Camden Schools expresses the devotion Mrs. James had for the children of our schools. This talented lady will be missed greatly by the students and her co-workers.

"When I seriously considered retirement," Mrs. James stated, "I began to look about for something I could leave the school; something the children could relate to. After quite a search, I came across this young artist at an arts and crafts show in Tyler, Texas. Wayne Rucker is his name and he works with western art. Within the hour I knew I had found just what I wanted to leave the school even to the title. Here was a picture of a lone cowboy caught in a dust storm - titled "If I Could Only See." These words so often are used by youth when they are climbing the hill to adulthood. I leave this to be placed in the Corrigan-Camden Library for all the children to view as they approach the final years of their education."

Bus "loaded" and ready to go . . .

The 1977 Senior Class left on Friday, May 13th, for Galveston and Astroworld. Coach Beaumont, Coach Cockrell and his wife Mary, Mrs. Barrett, and Mrs. Moore sponsored the trip. Even though it was Friday the 13th, all sponsors survived, and in spite of bad sunburns, the bus ride, and exhaustion, an unmeasurable amount of fun was had by the students.
